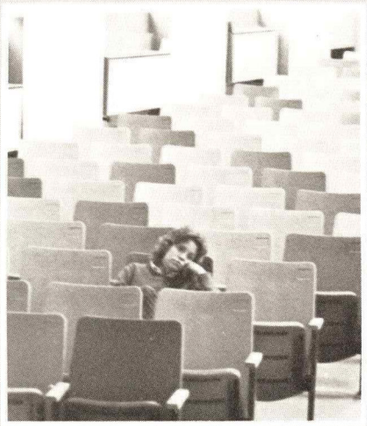
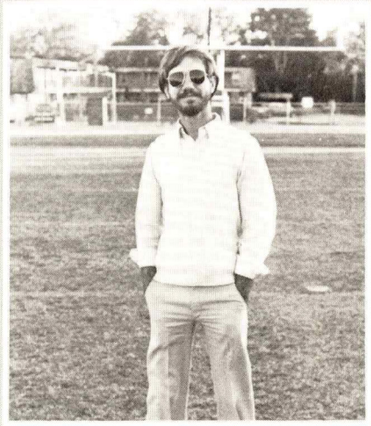
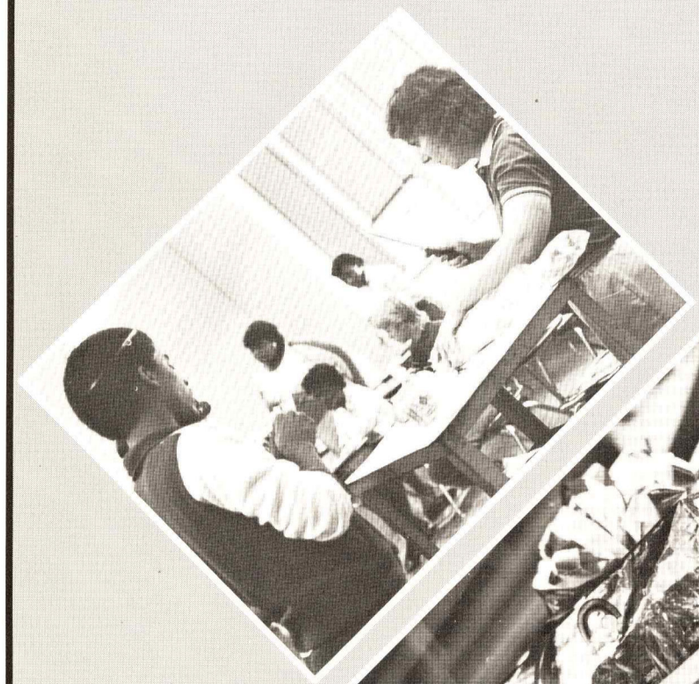
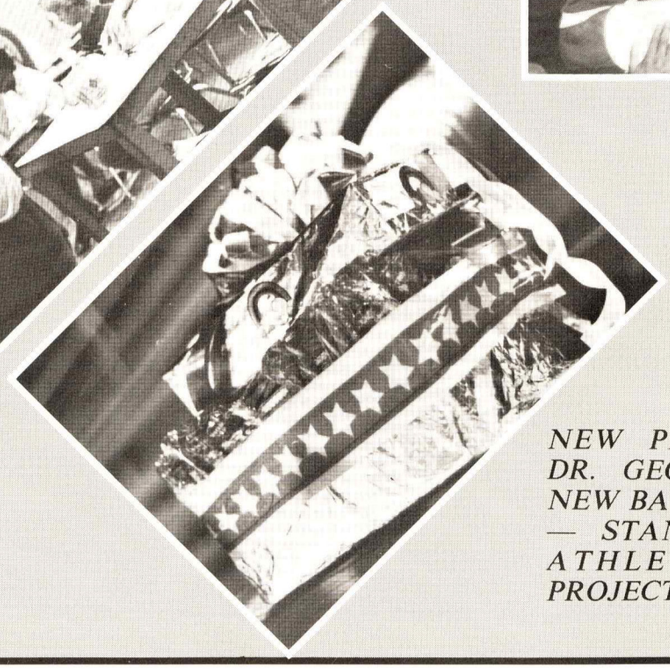
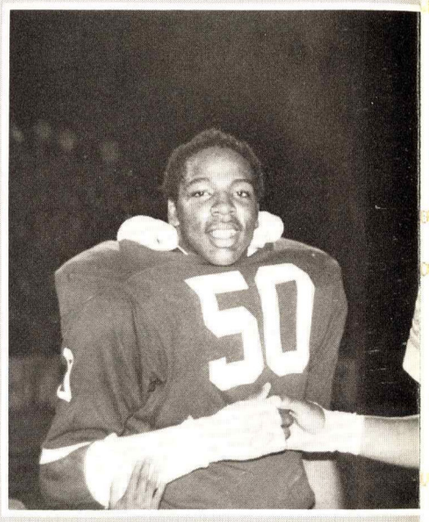
PEOPLE AND EVENTS MADE THEIR POINT AND CAUGHT OUR ATTENTION





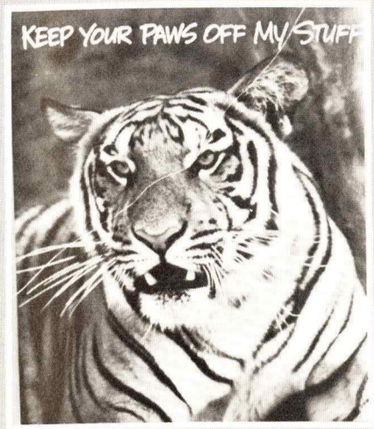


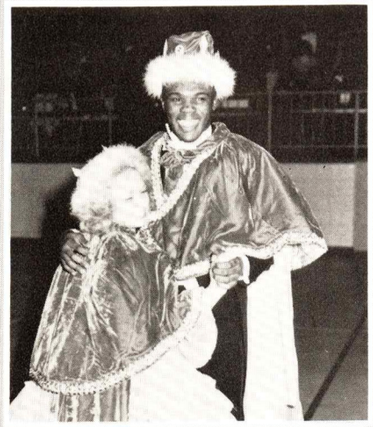


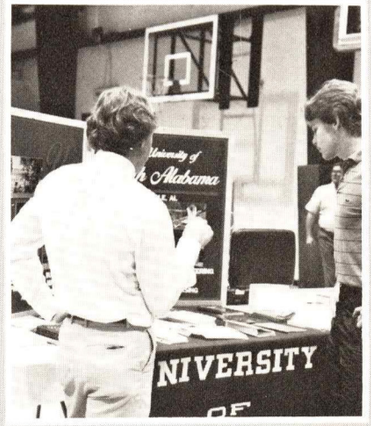


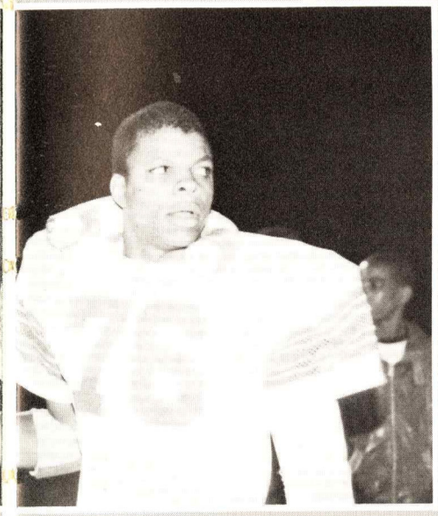
NEW PRINCIPAL — DR. GEORGE AYERS, NEW BAND DIRECTOR — STAN CHAPMAN, ATHLETICS, CLUB PROJECTS,

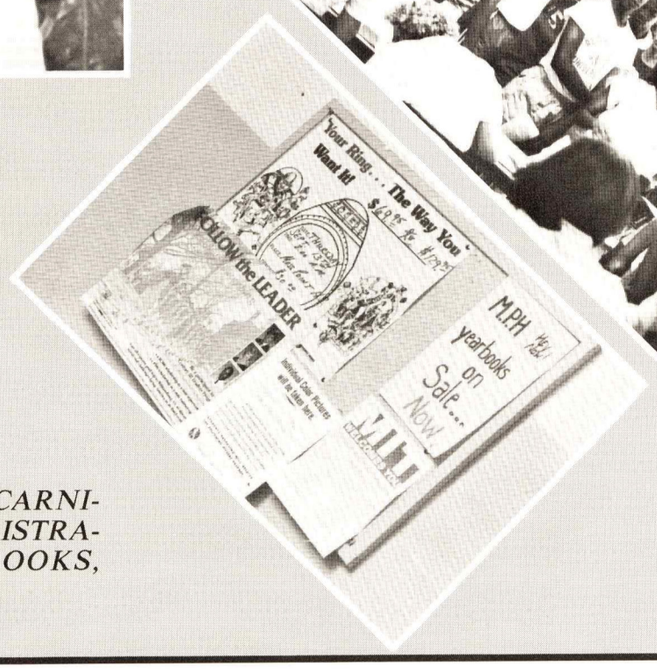
Many Of Us Tried To Be A Part Of Everything





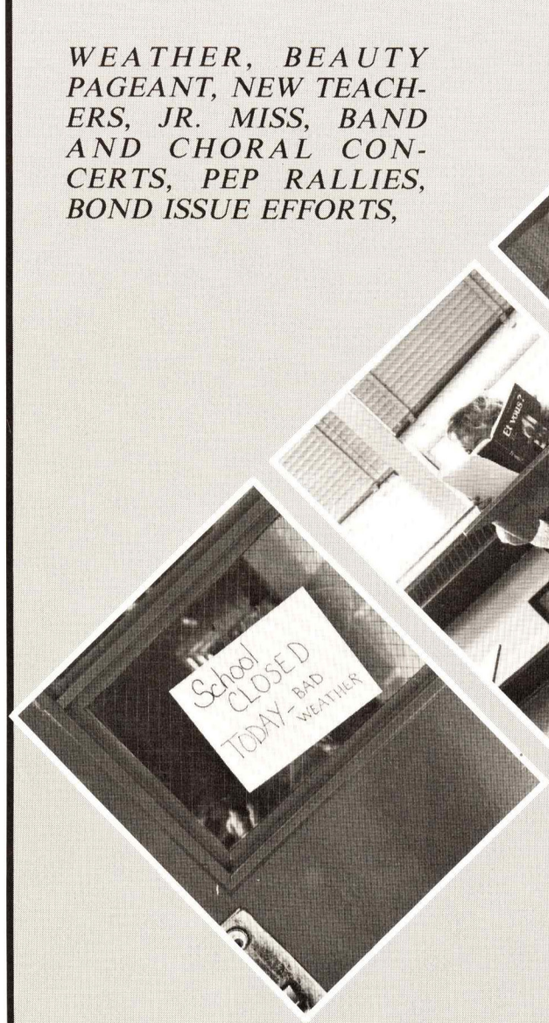


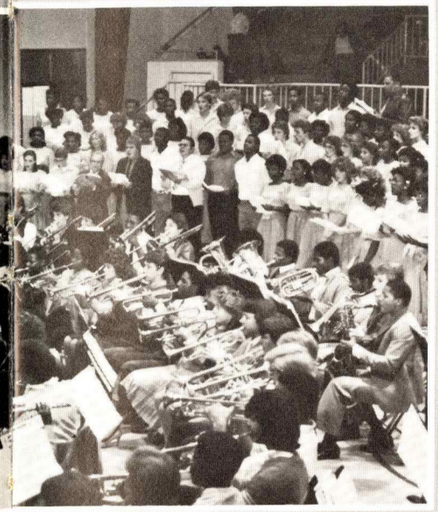


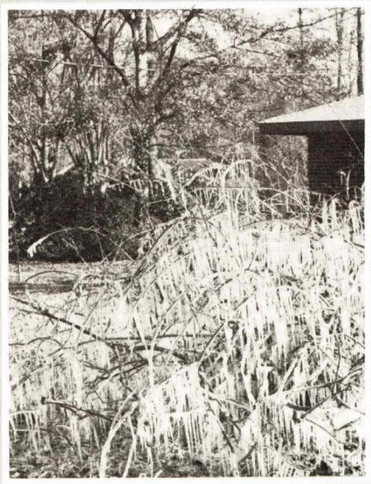


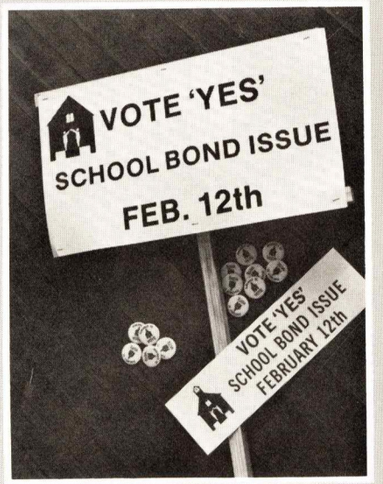
COLLEGE DAY, CARNIVAL BALL, REGISTRATION, YEARBOOKS, CLASS RINGS,

WEATHER, BEAUTY PAGEANT, NEW TEACHERS, JR. MISS, BAND AND CHORAL CONCERTS, PEP RALLIES, BOND ISSUE EFFORTS,

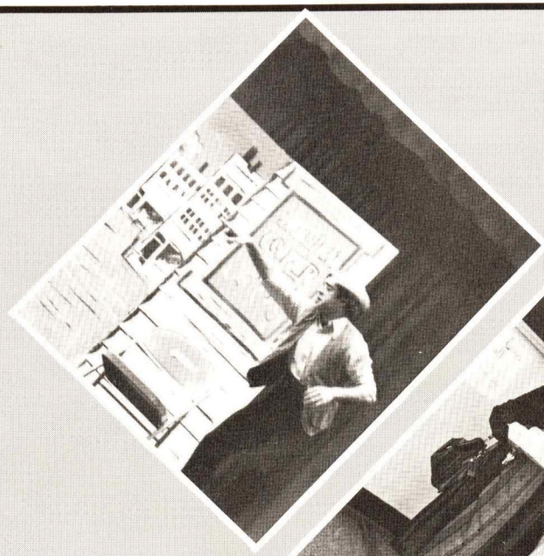


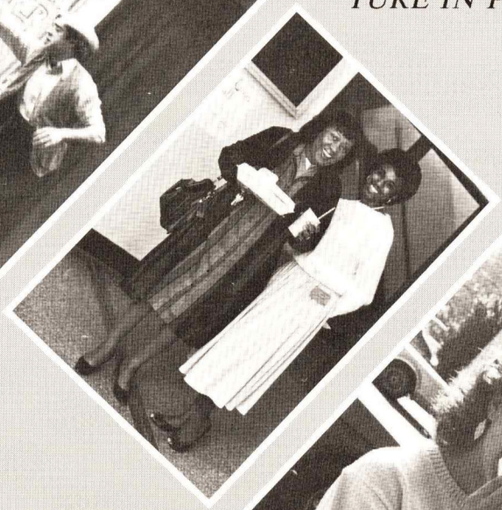


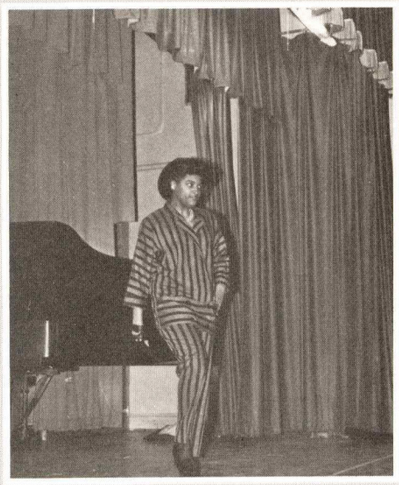




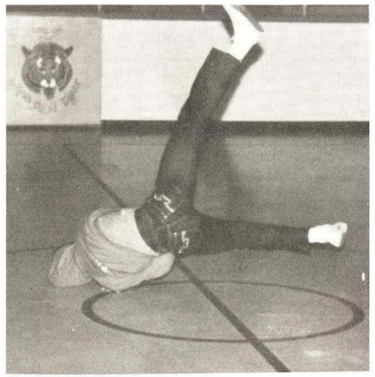
ROBINHOOD PLAYERS, LUNCH BREAK, CRAFTS, FASHION SHOWS, AND FRIENDSHIPS GAVE US A REASON TO SAY . . . '85 WAS A YEAR TO CAPTURE IN PICTURES!!!







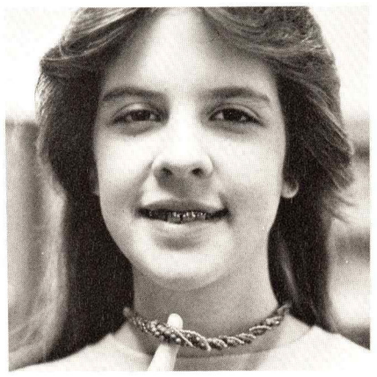
WE MADE OUR POINT BY STAYING IN STYLE



FADS: For a while peddle pushers and mini-skirts were making a come back, but this year we have moved to ankle pants and longer skirts. Parachute pants, flourescent colored fabrics, twist-a-beads, hats, and deck shoes were very visible. One of the year's biggest surprises was the revival of ear muffs.

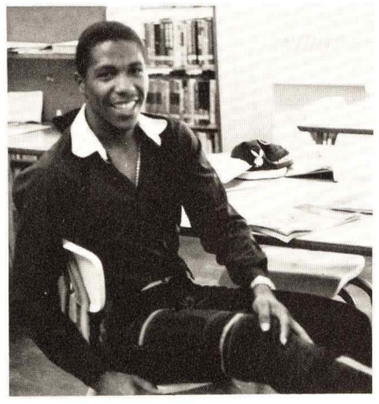
Consumers of this area still had a dream of finding a Cabbage Patch and transformers, Go-Bots and Trivial Pursuit were in great demand.

Looks like this little alligator is going to be around a little longer.

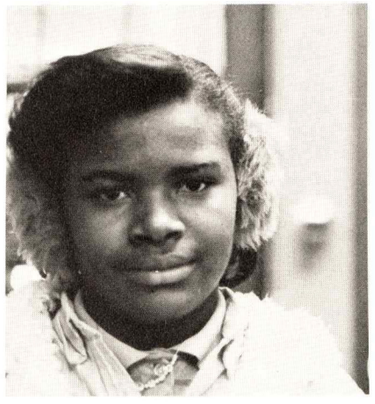


Many female students and faculty members wore the very popular twist-a-beads.

Dawn and Bobby feel that these items may never loose their appeal.



James Bradley is really in style with his Parachute Pants!



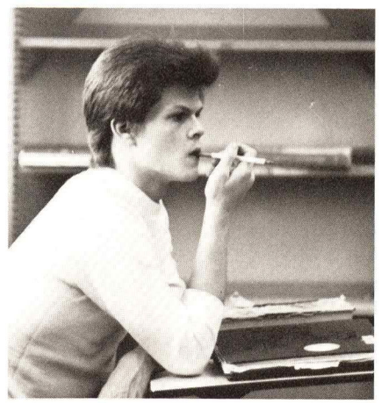
It's hard to believe that ear muffs have come back. MPHS students are proving they are.

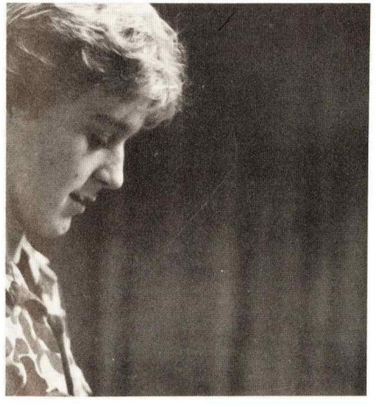
Dexter's are very popular among this crowd. Wonder whose Dexter's they are? Can you spot yours?

Mrs. Scroggins agrees with Marcus Baldwin; a Moss Point parade is the life!!

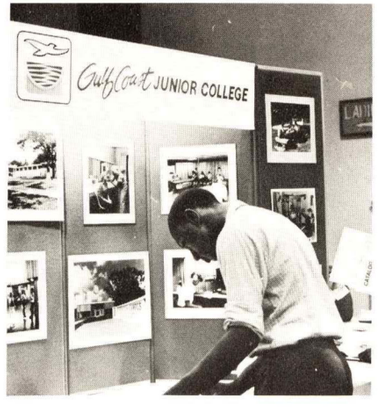
Many students had the opportunity to see the Robinhood Players perform Mark Twain.

"Earth to Lee, Earth to Lee!!

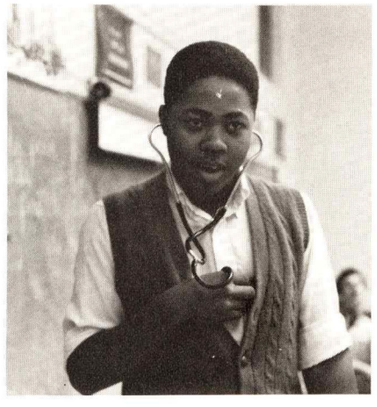




The arrival of class rings was a high point for the school year to Joe Hubbard.

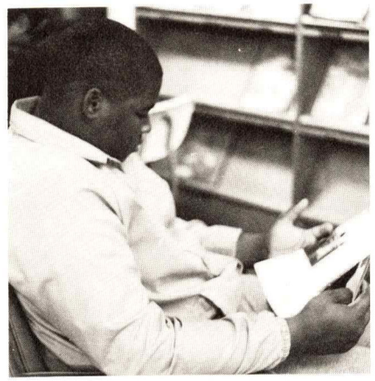


College day gave our students a chance to know the different colleges without leaving the MPHS campus!



Hey Girls! Bet you didn't know I have a heart!!

WE MADE OUR POINT BY STAYING INFORMED



Steve finds interesting information in a current magazine.

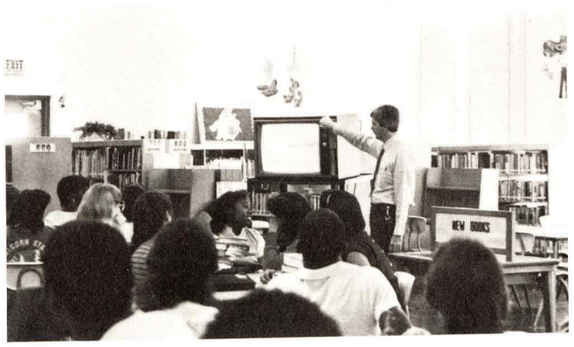
'84 OLYMPICS: The summer games of the XXIII Olympiad caused our spirits to soar. For two weeks many of us set glued to our television sets as the olympics scored a 10. Not only did we capture a lot of the gold, we also captured a new olympic spirit. Names like Mary Lou, Carl Lewis, Mary Decker and Greg Louganis will be etched in our memory. Once agian the pageantry of the opening and closing ceremonies overwhelmed us. Many of us thought the games wouldn't be the same since the Russians were staying at home. Instead, for two glorious weeks we thrilled to heroes from so many countries . . . people we had never met!

ELECTION '84: In the election of '84 history was made. Geraldine Ferraro of Queens, New York, was the first woman ever placed on the presidential ticket. Even though she lost the election of Vice-President, she paved the way for other women in the world of politics. On the other hand, Ronald W. Reagan was re-elected to office of president for another four year term. His landslide victory was one of the largest margins of victory in the history of the United States.

Reagan at 73 years of age is the oldest and one of the most acitve presidents in U.S. History.

Election '84 will be remembered for its heated debates and Ferraro's opportunity.

Magazines, an excellent research source, are provided by the school library.



Mr. Robinson's class learns through the use of Educational television.

State, local and national newspapers keep us informed about what is going on here in Moss Point as well as the state and nation.

BABY FAE: Unknown at birth, Baby Fae was soon to become known to the entire nation before her tragic death one month later. Born with a crippled heart, doctors said the only hope was the transplantation of the heart from a 7-month-old baboon which proved to be extremely controversial. Picketers were lined up outside of the hospital protesting the killing of an animal to save a human life. Despite the protests, the operation took place and was quite successful for a while. A couple of weeks later the rejection began, but kidney failure finally took Baby Fae's life.

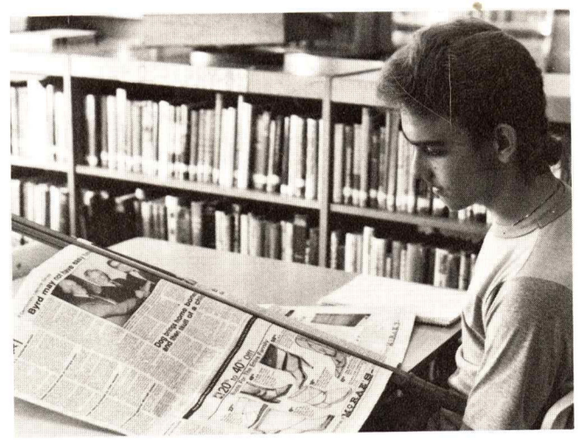
A point was made in the world of medicine, and a place was found in all of our hearts for Baby Fae.

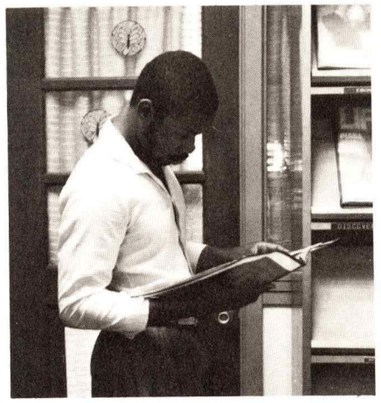
SCHOOL ISSUES: Prayer in public schools, teacher accountability, teacher pay, Education Reform Act, school consolidation, and Kindergarten are issues that have been on the minds of many Mississippians.

Prayer is not a major issue at M.P.H.S., although we do hear about accountability. AIM, skill continuums, mastery and district tests move us in the right direction so that our education will be of a higher quality.

The Education Reform Act is bringing the possibility of school consolidation, kindergarten and teacher raises. Many of the changes that will come about due to this act will have an effect on our education.

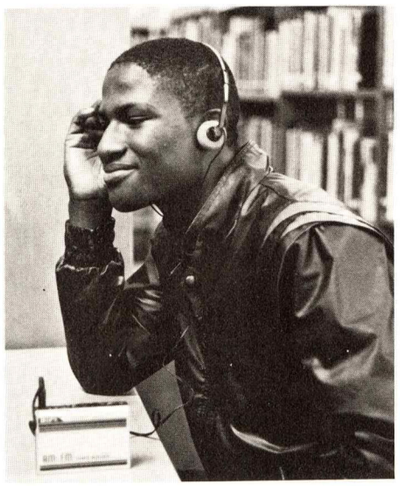
Charles has discovered the newspaper to be a good source of information. Many students spend time in the library reading the paper in order to be better informed.





Mr. Lovette checks out one of his favorite magazines.

Rachelle is busy looking for information through the use of the new Micro-fiche reader.



Aaron realizes that radio gives us more than just entertainment. It also gives us up-to-the-minute news.

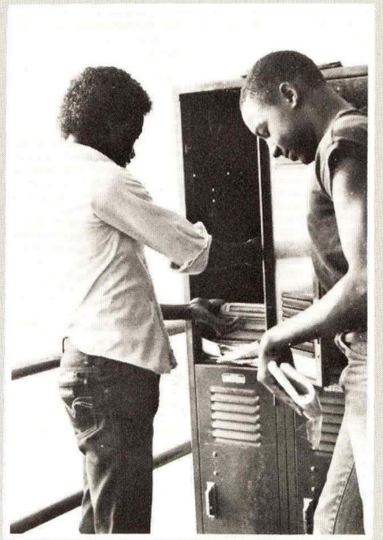
A Home Away From Home

"It's 3:15 and this is my last stop." This might very well be on Karla Thompson's mind.

If we could stand here long enough we could miss you know who's test!



Here's a question for you: Where is the best place at school to meet a friend, an enemy, or your girl or boyfriend? Answer: Your locker of course!

The lockers may not be pleasant to the eye, but they sure do take a big load off of the students. We made our lockers as homely as we wanted them. We decorated them with posters of the stars and photos of our friends. But one thing was for certain, our lockers were a big part of school life.

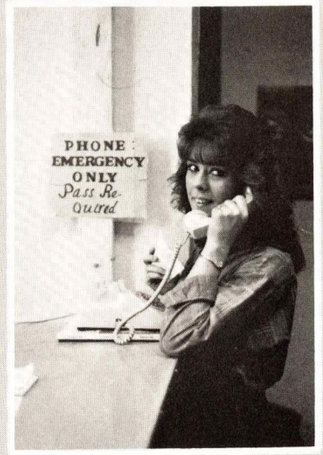
Checking-out

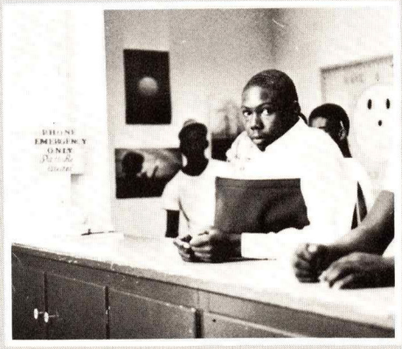
Checking-in

How many times a day does the door to the attendance office swing open? Ma Bell — oops — AT & T must really wonder about the enormous use of the baby blue phone in there. Check-outs are very popular? Why do we check out? How do we check out? Just let me count the ways!

"I tripped and fell in a mud puddle."
"Someone poured chocolate milk on me."
"I've got a stomach-ache."
"I miss my momma."
"I've got to babysit."
"I've got to go to the doctor and dentist during lunch."
"I've got to buy some new clothes."
"I'd rather not go to 5th & 6th period today."
"I forgot and wore shorts today."
"My favorite uncle, Prince Charles, is coming to visit today."



"But I promise I didn't write that excuse myself!"



"Please momma — call me in a check-out."

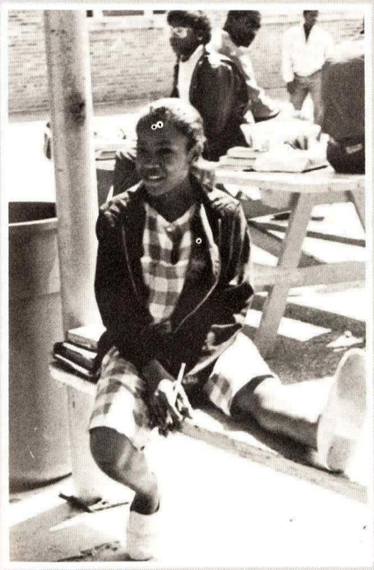
Friends Or Food?



Ann enjoying her solitude!

Ones who can't miss a meal!

Lunch meant more than long lines in the cafeteria. It was 30 minutes that we could call our own. Some of us would not miss a meal, but most of us spent the time visiting with our friends. Others tried to figure out a way to get a Sonic burger. Some would make a point to spend the time in solitude that could be found in the library.

Assemblies

Together again! Assemblies at MPHS meant excitement to most of us. It was a change of pace and a welcomed interruption to many. If it was class ring time, we had the opportunity of purchasing a keepsake that would remind us we were almost seniors! We would start thinking about who we would ask to turn our rings those 86 times or which girlfriend we would go steady with first! Mr. Kelly once again fired us all up for the magazine sale wearing one white sequined glove. Talent shows, Jr. Miss, Beauty Pageant, and school pictures all called us in to that vast auditorium. Assemblies were where we all came together for the same purposes and were reminded that school was not all work.

ANOTHER GOOD YEAR

The 1984 Tigers had great expectations to defend their '83 state championship; but three losses in the last 30 seconds, including two district games, knocked them out of any playoff contention.

The Tigers started quickly with two come-from-behind victories. Against Hattiesburg, the Tigers were quickly behind 13-0, only to come on strong to out-muscle their opponents. And Against Pearl, it took two fourth-quarter touchdowns to make the Tigers 2-0. Against Theodore, the Alabama team proved to be too much for the Tigers. Against Biloxi, when overtime seemed to be coming, Biloxi drove down the field and kicked the game-winning field goal. Then, the Tigers lost a very controversial game to Gulfport. After a win at Harrison Central and a loss at Vigor, the Tigers had three home games. On Homecoming night, the Tigers easily defeated Greenwood. The next Friday night against Meridian, the Tigers were in for a defensive battle. Moss Point prevailed in bad weather conditions on a Scott Bosarge field goal. The season finale was with arch-rival Pascagoula. Both teams had identical records coming in, but the Tigers won this game on two Chris Osgood touchdown passes and two Scott Bosarge field goals. The Tigers accepted a bid for the Red Carpet Bowl in Vicksburg. In this contest, the Tigers stomped their opponents, Warren Central.

The 1984 Tigers proved to everyone that they were a super team!

1984 MOSS POINT TIGERS

TIGER SPIRIT LEADERS

The cheerleaders' goal is to increase the school spirit for the athletic events of Moss Point High School. They do this by selling ribbons, making signs, building spirit links, planning pep rallies, and cheering at football games and basketball games.

Ms. Angela Barron, Cheerleader sponsor.

"What's the big word?"

Top to bottom: Susan Watson, Tana Blades, Traci Mills, Dawn Millender, Kristi Davidson, Leslie Koskela, Angela Crews, Ashley Grafe, Kim Alexander, Joey Hans. Senior mascot: Terryl Roberson.

. . . GIVING IT THEIR ALL"

Week Of Fun, Spirit, Pageantry . . .

Homecoming was that very special time of the year when most M.P.H.S. students took "pride" in their school and their football team.

Homecoming festivities began with the different dress-up days including "Muzzle Monday", "Tacky Tuesday", "Wierd Wednesday", "Toddler Thursday", and "Fierce Friday". Another fun time during homecoming was working on floats, not only class or school floats, but also floats outside of school. All classes were competing for a prize on their float. Much hard work and many hours were spent on each float, but the sophomores took the prize.

Then the night we had all waited for — the game against Greenwood. After the homecoming court was announced and queen Gennifer Mims was crowned, the MIGHTY TIGERS got on the stick and the victory was ours!

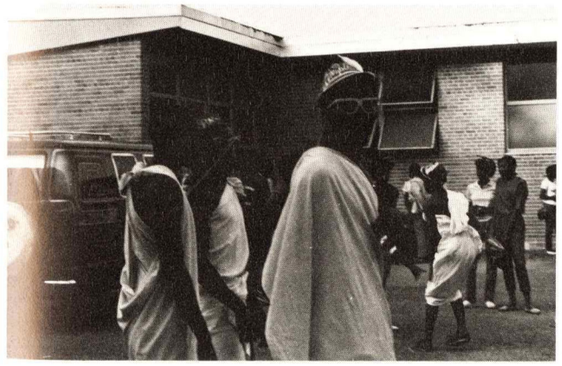
48-0

Marcus Baldwin, Angela Glaude, and Dr. Ayers anticipate the announcement of our new homecoming queen.

Dr. Evalyn Jerkins (Burkitt) not only was busy being Grand Marshall of the 1984 homecoming parade, but she also became Doug Jerkin's bride.

HOMECOMING

1983 Homecoming queen Angela Glaude crowns Gennifer Mims in '84.



The "Rude Crew" thought they would help with the spirit during homecoming week. They decided to do their "steppin' " in togas.

Ford Kinsey, Joey Hans, Lynette Johnson, and Garrett Tucker looked a little "burnt out" after the homecoming festivities were over.

The 1984-85 soccer season was the second year for Moss Point High School to field a soccer team.

The soccer season begins in late November and goes through the beginning of February.

Soccer is played non-stop for two forty-minute halves. During a match the average soccer player runs six to eight miles. Play is only stopped for an injured player.

Lettermen for this year were Rick Breland, Charles Miller, Butch Mallette, Scott Godfrey, Mark McNair, Billy Wilder, Lance Bodden, Edward Sherman, Scott Bosarge, Vince Hartwell, David Vaughn and Chris Cook.

It takes a great deal of support from both the coaches and the bench for the team to be successful.

MOSS POINT HIGH SCHOOL MARCHING BAND

To be a member of the Tiger Band, it takes patience, skill, talent and plenty of extra time. Most of the members are very enthusiastic. Throughout our school, band members are widely recognized and respected.

The new band director, Mr. Stan Chapman, has pulled the band in a new and more advanced direction. During the football season, members stayed after school on Tuesdays and Thursdays for two hour practices. The director made it a point to emphasize concert performance and musicianship at its best in the band program.

A big commitment, and a realization that the performance is more important than the band members themselves is what Mr. Chapman expects from the members.

Drum Major, Amy Mitzell, and director, Stan Chapman are excellent leaders for the band.

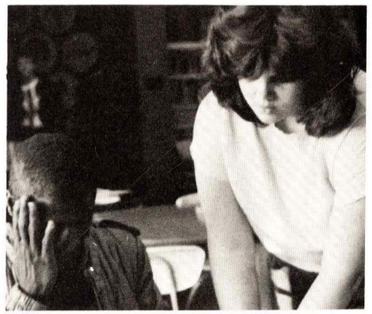
GROWLER STAFF

Deadlines, 5th period, worried sponsors, layouts, smiles, headaches, deadline parties, copy, headlines, fun, all played a part in making our point with the 1985 GROWLER. What was our point? It was to try to reflect in this book a fabulous year at Moss Point High. We wanted to create, with the help of photos, words and a whole lot of dedication, a book that would capture our memories. Our goal was to make major changes in our annual. We made it a point to include as many students as possible.

Thank you MPHS for giving us a year to remember!



Many headaches come before the layout is just right to turn it.

The annual staff owes alot to Mrs. Richardson and Mrs. Baxter who encouraged us to produce the best book we could.

This turned out to be a great yearbook. Thanks for all your help
Becky Lynn

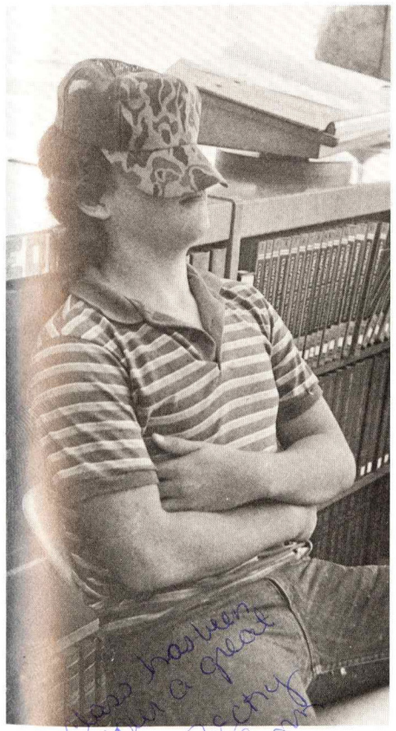
This is the best class I've ever had. Ray

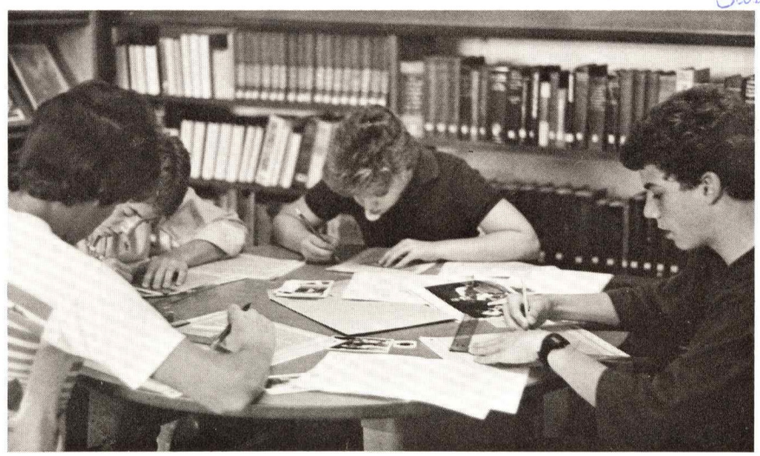
You are a very sweet person. I will remember you when I am in Kansas and thank you so much for letting me babysit Emily. Nice neighbors. Ha! Ha! Ha!
Becky James

Co-editors Stephanie Harris and Monica Roberts helped to make our annual the best ever.

Mrs. Richardson is anticipating ideas which is a big part of the annual staff's responsibilities.

You are a very good teacher and a good friend. This has been the best year for me.
Brenda Richardson





There are many responsibilities on the annual staff which require concentration and dedication.

When all the deadlines are met, it's time to take a long rest.

Mark Young

You are a great teacher. Becky James

The 1984-85 TIGER FLASH kept us up to date on the news around the school. It informed us as to who was liking who and which hits were number one. The TIGER FLASH was the highlight of the month for many of the students.

The paper staff did a good job in making their point . . . The TIGER FLASH represented us well!

Youth Legislature

The Y.M.C.A. Youth Legislature has provided youth with hands on experience in the workings of the Mississippi Legislature since its inception 20 years ago. M.P.H.S. students became involved in the program some three years ago, and have come to dominate both the executive and legislative branches.

WORKING FOR THE FUTURE

Vocational Education plays a vital role in the high school curriculum. It prepares many of the students for jobs they can walk into immediately following graduation.

Some of the courses provide actual on-the-job training. These students are able to go to school and work at the same time.

The following courses are offered: Industrial Arts, Industrial Drafting, Metal Trades, Carpentry, Vocational Office Training, Distributive Ed. I & II, Occupational Home Economics I & II, Marketing I, Intensive Business Training, Auto Body Repair and Marine Mechanics.

Vocational clubs at Moss Point High are: VICA, FBLA, HERO, DECA. Many Vo-Tech students are involved in these.

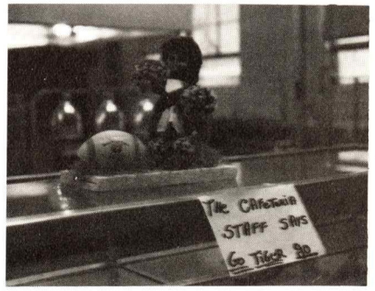
SERVING THE TIGERS WELL



This display is one of the many ways the cafeteria staff showed their support to the Tiger team this year.

The cafeteria staff enjoys serving the students of Moss Point High School. They support the Moss Point Tigers — "Our favorite team". The staff keeps up with the boys after they go on to college. They like to see the holidays come when the boys visit and eat lunch. "It's like seeing family come home." The staff also enjoys seeing all the rest of the students come home to visit. They say, "we grow to love all of them and hate to see them leave at graduation. Most of the ladies have been at M.P.H.S. for ten years or more.

The Growler *Staff says, "Thank you to the ones who serve us all so well". This page of our school yearbook has been dedicated to them because they are so dedicated to us at Moss Point.*

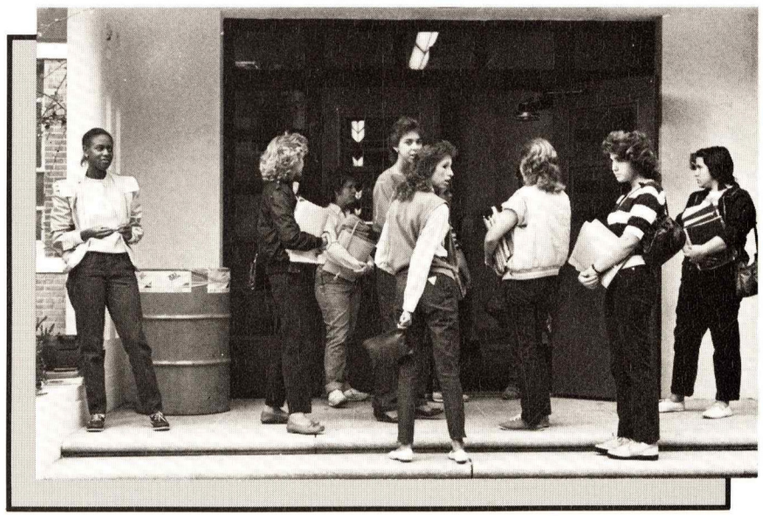
Did Michelle really get away with blowing that bubble in the library?



India Ellis and Kenneth Harry did make a handsome couple that night!!

It must have been Monday morning!

"What seems to be your problem, Tommy? If it's not your girlfriend, it must be that English class."

"Do we really look like we are ready for our state try-outs?"

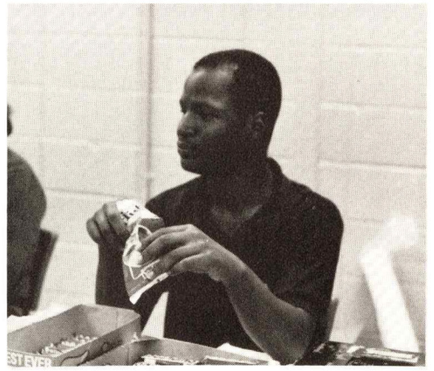
Bet 'cha Benjamin didn't know he had rabbit ears!

. . . NOT ALWAYS!



"Carl, the Christmas chains were supposed to be hung in the library — not on your head."

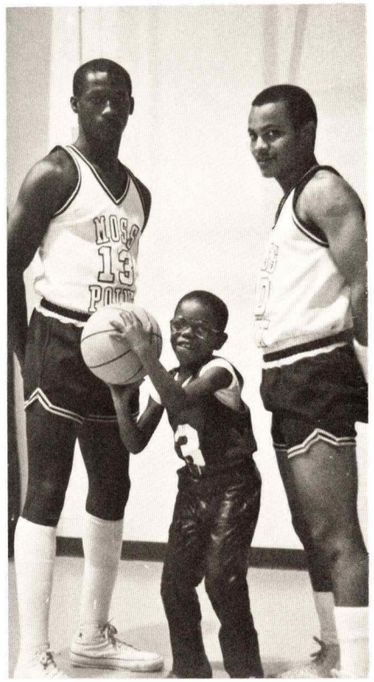
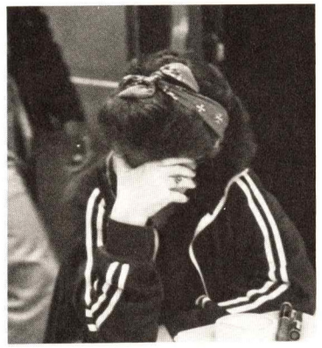
HERE'S LOOKING AT 'CHA

"Beth, do you always dress like this?"

"How tacky can you get, Renee and Angela!"

Our senior players plus . . .

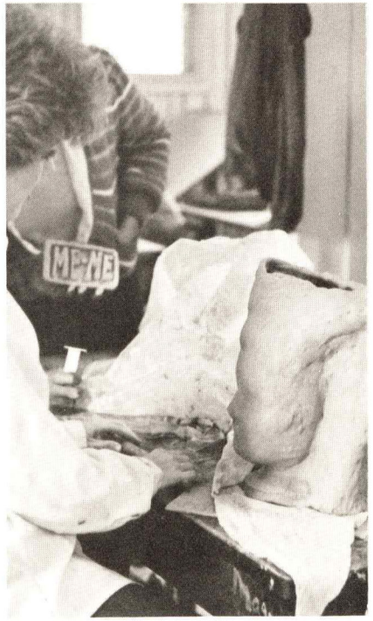




"Mauri, you can look up now!"

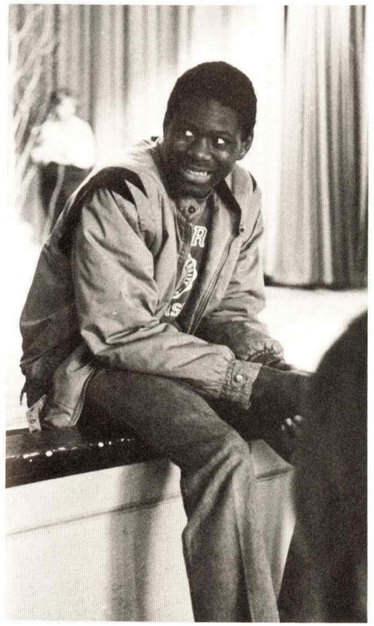
"The joke must be on me. No one else is laughing."

"Us work? Bet we fooled you!"

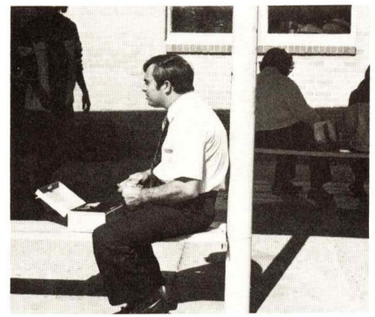


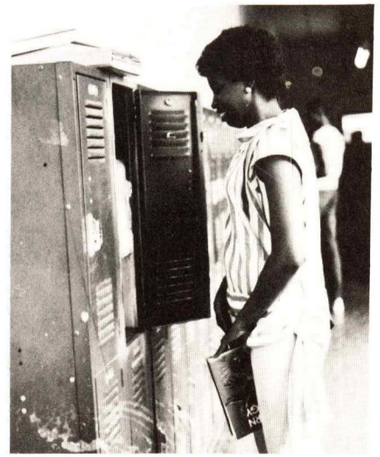
King Tut comes alive!!

Tyrone has his moment on stage!



Some people will do anything for a picture!





"What a mess is in my locker!"

"Coach, maybe sales will pick up!"

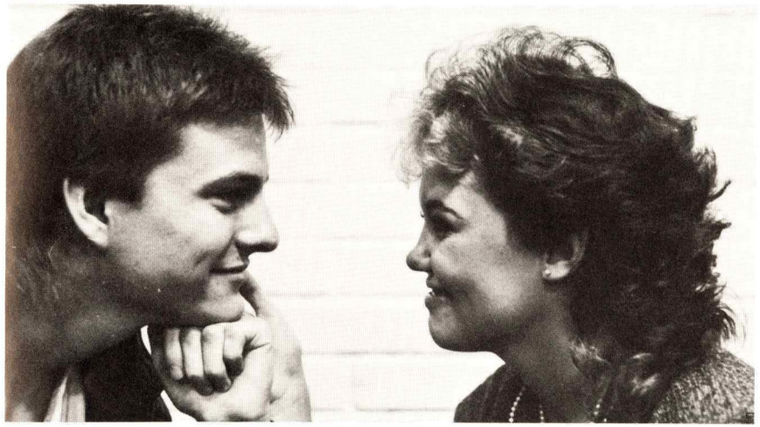
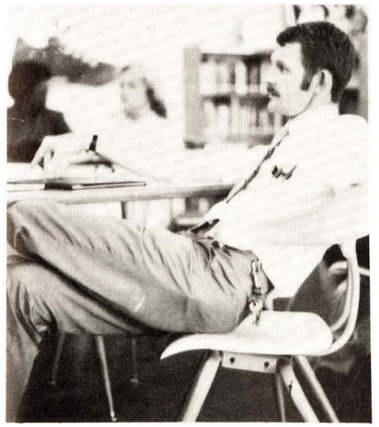
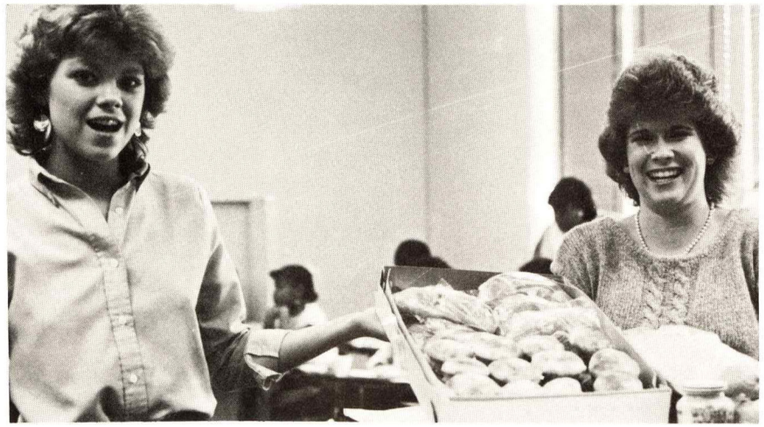
How sweet it is!!!

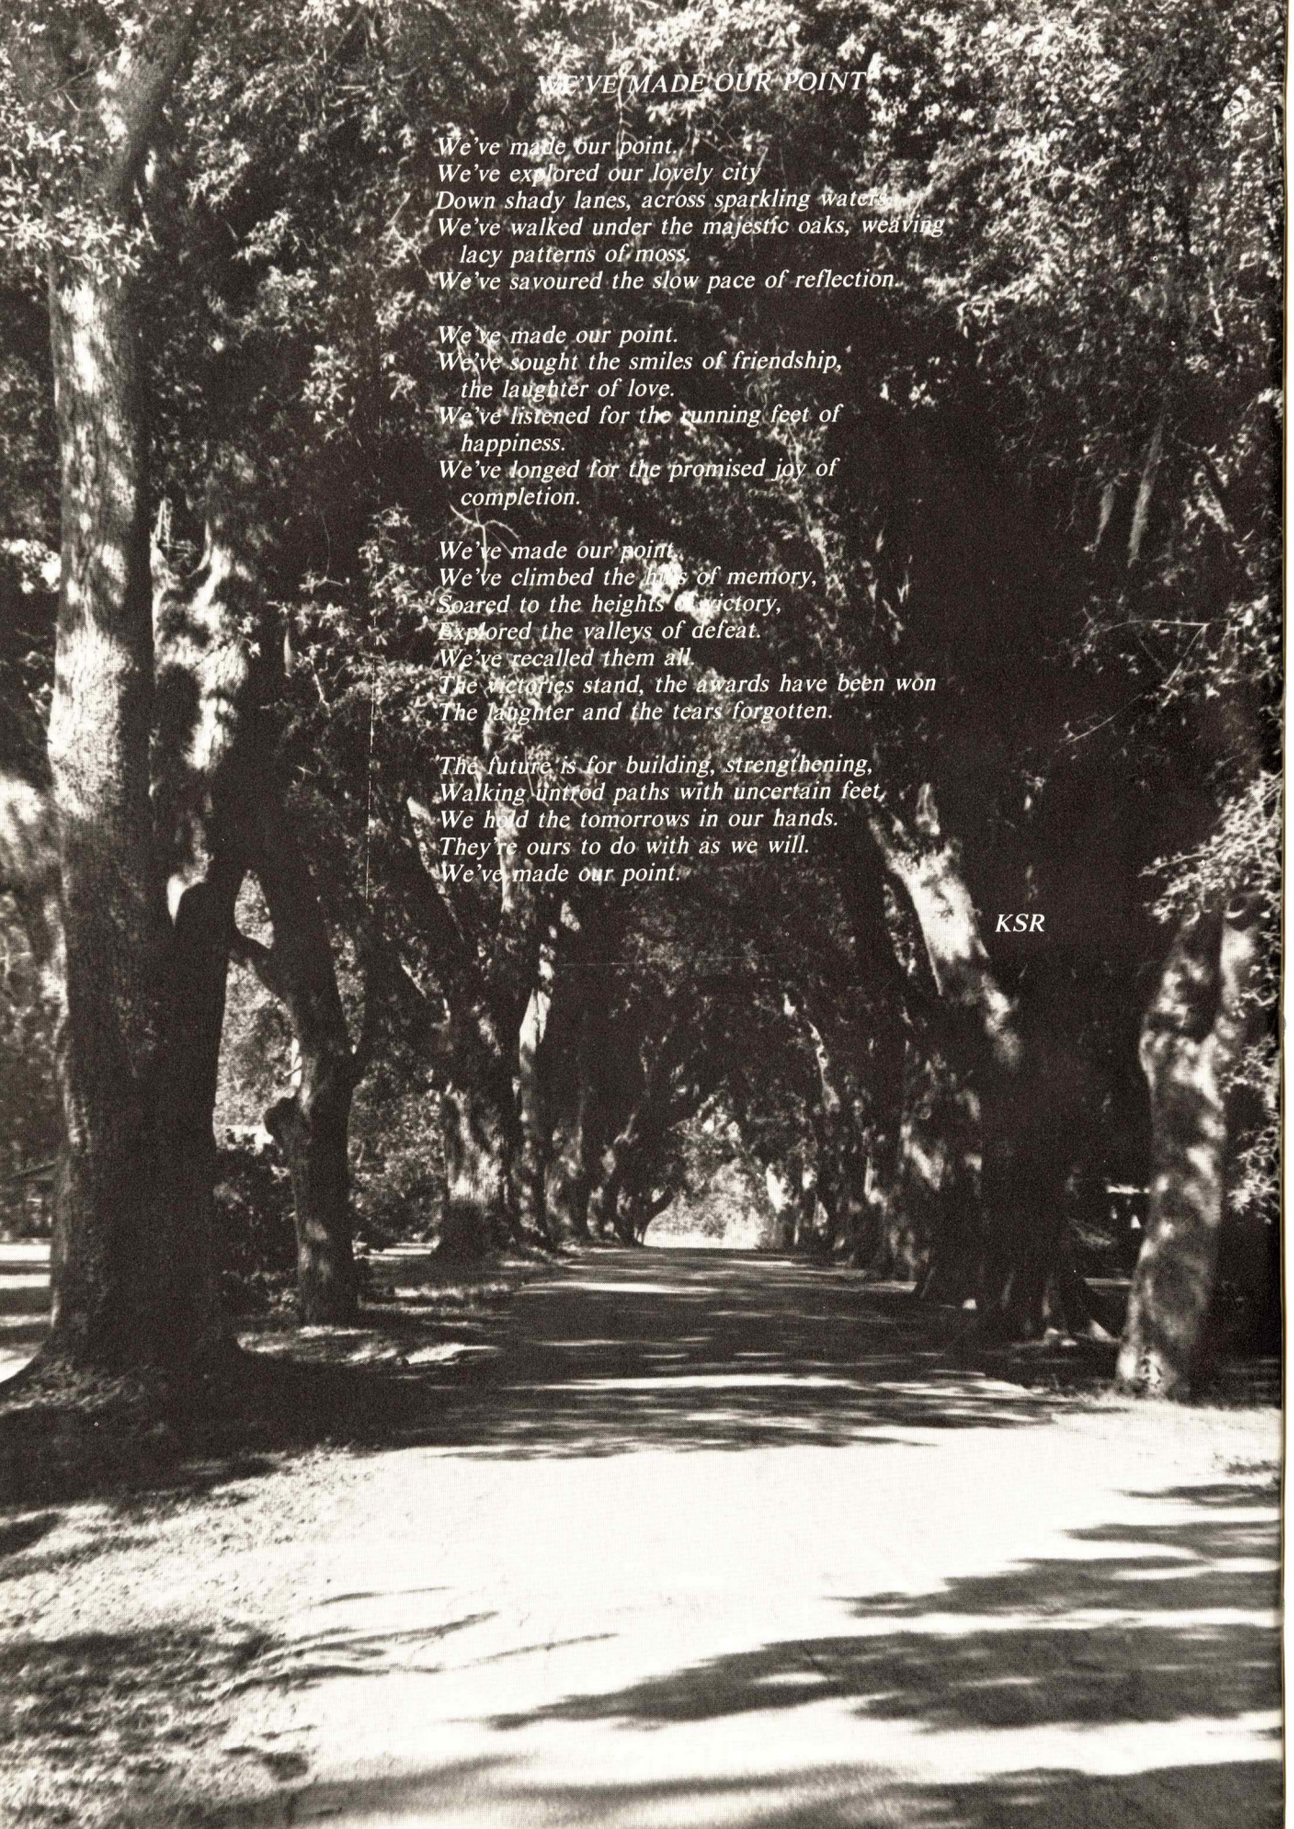




"I wonder if Mr. Stricklin ever slid out of his chair."



"I can't believe we've got to eat the whole thing!"



WE'VE MADE OUR POINT

We've made our point.
We've explored our lovely city
Down shady lanes, across sparkling waters.
We've walked under the majestic oaks, weaving lacy patterns of moss.
We've savoured the slow pace of reflection.

We've made our point.
We've sought the smiles of friendship, the laughter of love.
We've listened for the running feet of happiness.
We've longed for the promised joy of completion.

We've made our point.
We've climbed the hills of memory,
Soared to the heights of victory,
Explored the valleys of defeat.
We've recalled them all.
The victories stand, the awards have been won
The laughter and the tears forgotten.

The future is for building, strengthening,
Walking untrod paths with uncertain feet.
We hold the tomorrows in our hands.
They're ours to do with as we will.
We've made our point.

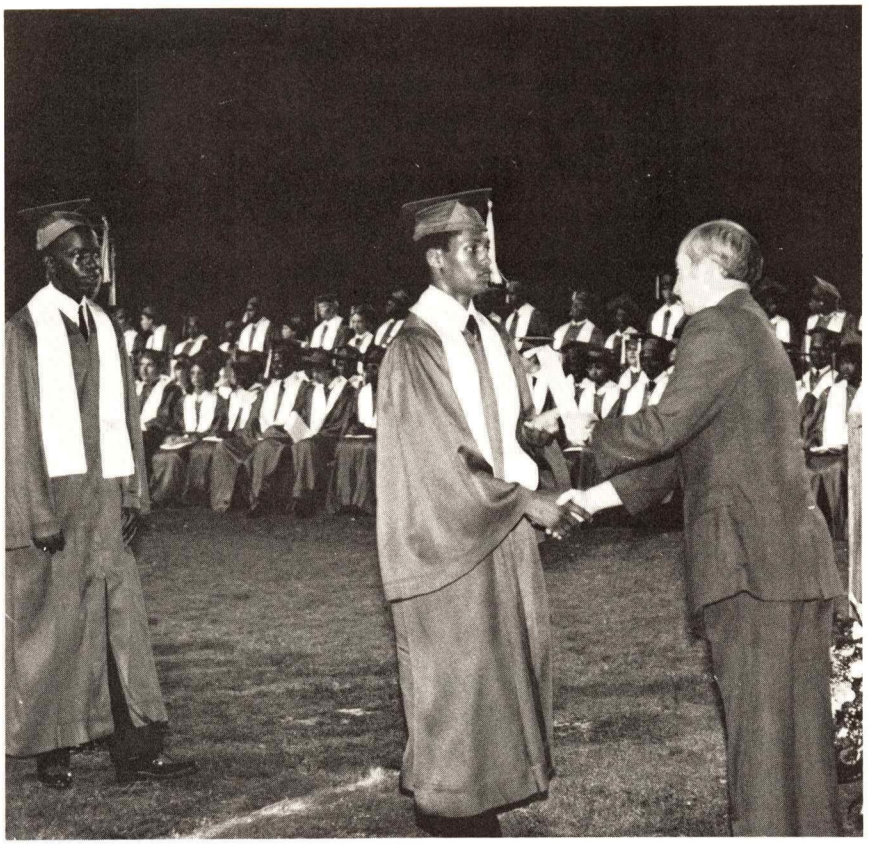
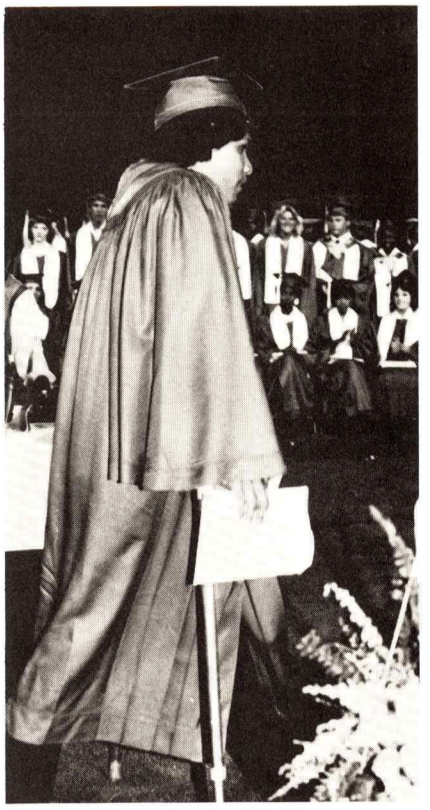
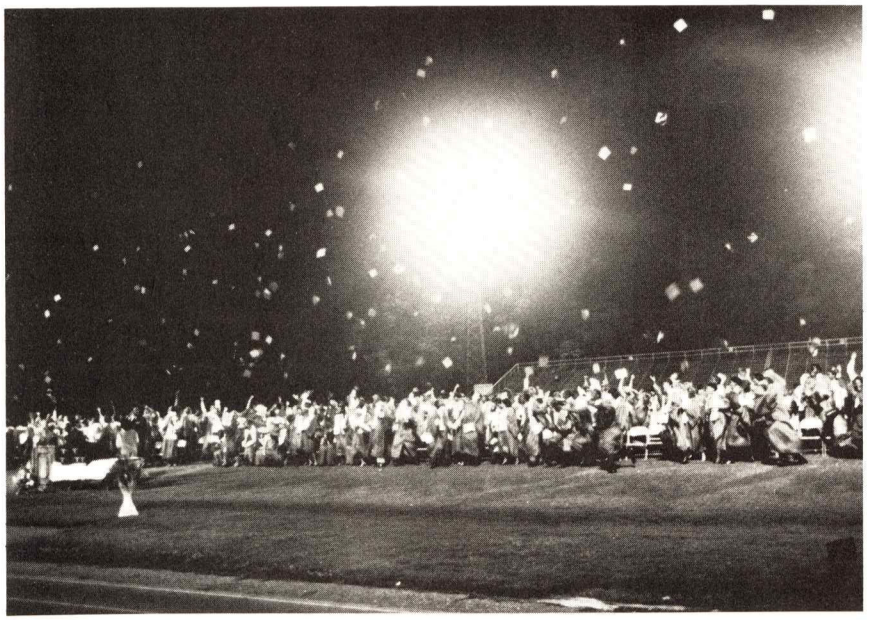
GRADUATION 1985



George Stallworth received his diploma from Dr. Gronin, Superintendent.

Richard Izaac received a standing ovation as he STOOD *and* WALKED *out to receive his diploma.*





The Seniors of 1985 got carried away at the end of the graduation ceremonies and just could not resist the temptation of tossing their caps in the air.

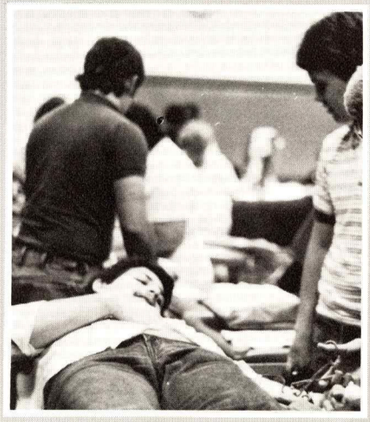
Giving A Part Of Ourselves

M.P.H.S. students once again broke the record giving 133 pints of blood during the annual blood drive. The cooperation and participation of all the students was really great!!

Blood Drive



USA For Africa Donation

For two days student council members were scurrying around collecting little blue and white bags. Many of us wondered what the little bags were for when they first appeared in all the teachers' mailboxes. Our students made a POINT to fill these bags with the change they had for the children of Africa.
